

26—GEOHYDROLOGIC FEATURES (continued)

REF NO	DESCRIPTION	SYMBOL	CARTOGRAPHIC SPECIFICATIONS*	NOTES ON USAGE*
26.1—Water wells (continued)				
26.1.25	Well used for irrigation-water supply		outer circle diameter 2.0 mm; linewidth .2 mm inner circle diameter 1.125 mm; linewidth .15 mm	May also be shown in cyan or other colors.
26.1.26	Flowing artesian well used for irrigation-water supply		2.0 mm 1.25 mm arrow linewidth .15 mm	
26.1.27	Nonflowing artesian well used for irrigation-water supply		1.375 mm radius .3125 mm linewidth .175 mm	
26.1.28	Recharge or waste-injection well, once used for irrigation-water supply		2.0 mm 1.25 mm arrow linewidth .15 mm	
26.1.29	Observation well used for irrigation-water supply		bar linewidth .3 mm 3.725 mm 45°	
26.1.30	Observation well used for irrigation-water supply—Equipped with a recorder		R ← H-6	
26.1.31	Dry well, once used for irrigation-water supply		bar linewidth .2 mm 45° 3.725 mm	
26.1.32	Destroyed well, once used for irrigation-water supply		bar linewidths .2 mm 90° 3.725 mm	
26.1.33	Test hole for well used for irrigation-water supply		.6 mm 2.75 mm bar linewidths .15 mm	
26.1.34	Well used for industrial-water supply		outer circle diameter 2.0 mm; linewidth .2 mm inner dot diameter 1.125 mm	
26.1.35	Flowing artesian well used for industrial-water supply		2.0 mm 1.25 mm arrow linewidth .15 mm	
26.1.36	Nonflowing artesian well used for industrial-water supply		1.375 mm radius .3125 mm linewidth .175 mm	
26.1.37	Recharge or waste-injection well, once used for industrial-water supply		2.0 mm 1.25 mm arrow linewidth .15 mm	
26.1.38	Observation well used for industrial-water supply		bar linewidth .3 mm 3.725 mm 45°	
26.1.39	Observation well used for industrial-water supply—Equipped with a recorder		R ← H-6	
26.1.40	Dry well, once used for industrial-water supply		bar linewidth .2 mm 45° 3.725 mm	
26.1.41	Destroyed well, once used for industrial-water supply		bar linewidths .2 mm 90° 3.725 mm	
26.1.42	Test hole for well used for industrial-water supply		.6 mm 2.75 mm bar linewidths .15 mm
